

Project 1 : Experiential Landscape

Topic 4 : **Urban Park**

Group Name : **URBAIN**

Group Members : **Teo Chiang Loong Eric**
Loon Jing Wei
Joey Lau Xin Jun
Vivian Yap
Law Zhi Chang
Yip Xiao Jung

Name of Tutor : **Ms. Iffa Nayan**

URBAN PARK

Defination>

- ◆ **Public space located in urban area**
- ◆ **Recreational area for residents**
- ◆ **About 5-10km away from residential area**
- ◆ **Generally developed by government**

Local Case Study-TAMAN TASIK PERDANA

INTRODUCTION

- ✓ Also know as **Lake Garden, KL** or **The Perdana Botanical Garden**.
- ✓ Oldest park in KL since 1888.
- ✓ Initially named as **Public Garden** but then renamed to **Lake Garden**. In 28th of June 2011, it officially renamed as **Perdana Botanical Gardens**.

The Historical Background of The Park

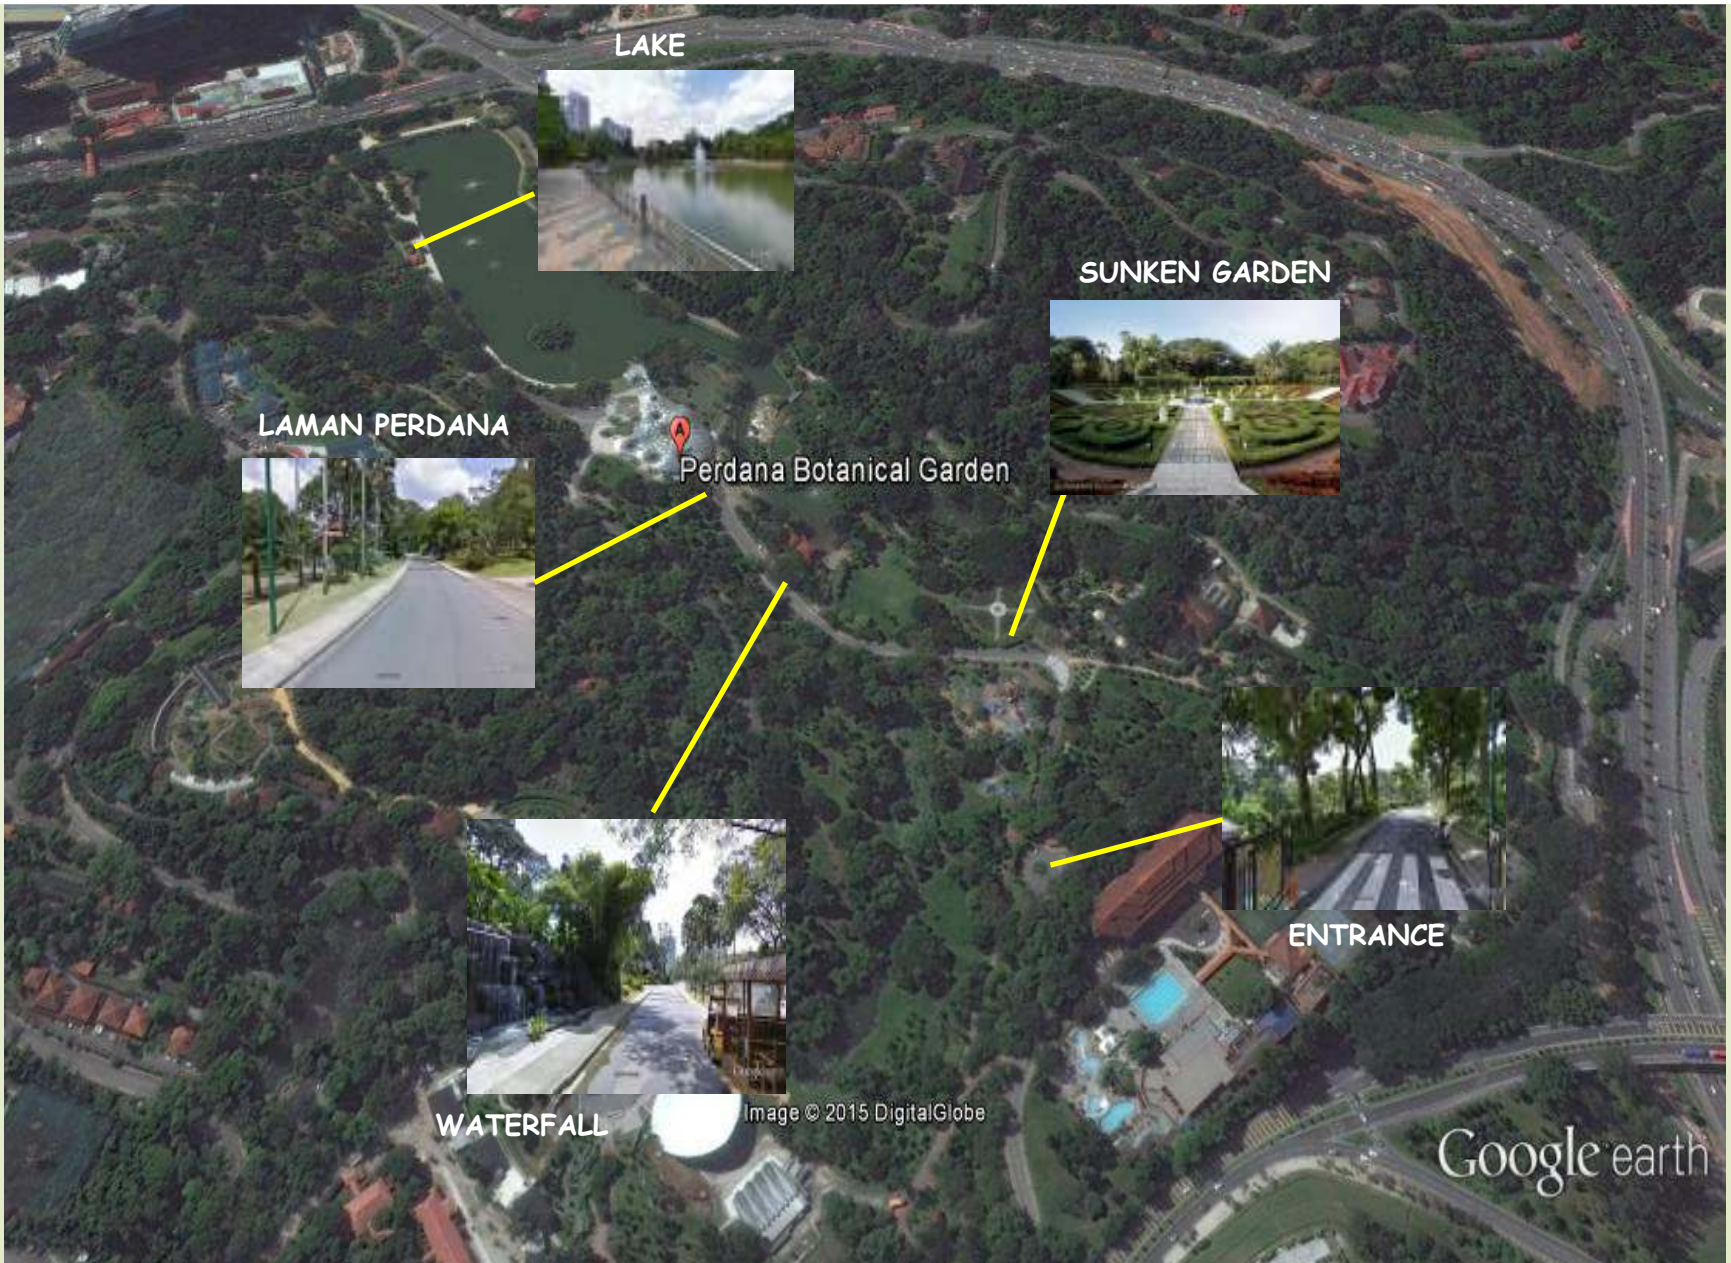

- ✓ Creation of Alread Venning (British state treasurer in late 19th century)
- ✓ Created as a shelter where the British administration could escape from the city.
- ✓ It was previously a tin mine.
- ✓ Launched by Tun Haji Abdul Razak Hussien (2nd Prime Minister of Malaysia)

Characteristics

- ✓ Large-scale recreational park
- ✓ About 91.6 hectares (226 acres)

A world map is shown with a textured, golden-brown background. The map is centered on the Atlantic Ocean, with North and South America on the left and Europe, Africa, and Australia on the right. A dark grey horizontal band runs across the center of the map, containing the text "CONTEXTURE STUDY" in white, bold, uppercase letters.

International Case Study

Washington Park,
Milwaukee

Introduction

- 135 acre
- Host to a large lagoon and natural area
- Known as **West Park** at 18th centuries designed as a **ZOO**.
Year 1900 it became **Washington Park**.

History

- Was founded in 1891
- Located in Wisconsin, Milwaukee
- Was originally named West Park
- Designed by Frederick Law Olmsted
- Landscapes and recreational activities promote both the physical and mental health of its visitors
- West Park became Washington Park in 1900 to reflect the importance of American history
- After that, the park expanded to 132 acres
- In 2007, the Urban Ecology Center chose Washington Park for its satellite facility.
- Offer participants the opportunity to explore nature and experience
- West park zoo began in 1892
- In 1900, both park and zoo was renamed Washington Park
- By the 1930s, the zoological garden starts to wear
- The Washington Park Zoo fell silent in 1963 as the animals were moved to the new facility

Characteristics of the Park

1 #Low impact development and environmentally sensitive design

2# Wide Range of Facilities

- 6 Outdoor Tennis and Bike Polo Court
- 4 Outdoor Basketball Court
- Outdoor Swimming Pool
- A Water Park
- 3 different size Football/Soccer field
- Standard Baseball Court
- Urban Ecology Center
- A Band Shell
- A Gazebo
- A Senior Center
- Plenty of Small Playground
- 9 Campsites/ Picnic Site
